Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

Since 2014 I have been working in international projects with remote teams. During these 5+ years, I've been working with clients around the world, sharpening my soft skills such as effective communication and problem-solving.

Organizational / managerial skills

- Source control Migration (In 2019 I had the opportunity to migrate SVN to GIT to the entire company)
- AEM Migration (In 2018 I had the opportunity to migrate the AEM project 6.3 to 6.4 version)
- Leadership (In 2016 I had the opportunity to be responsible for the entire team)

Job-related skills

- Good command of quality control processes (focused in Scrum methodology).
- Effective communication.
- Problem-solving.
- Open to learn new technologies.
- Good to train other employees.

Other skills

I enjoy all sports particularly soccer and running. I love to travel, experience different cultures and meet new people.

Driving license

B
